Word Web http://graphwords.com/	

As the teacher:

1. Divide the class into groups of 3 or 4
2. Assign each group has a word to include in the VSS+ activity, or have the members of each group choose a word to elaborate.
3. Show examples of the VSS+ product so that students have a better idea of the activity elements using various applications, such as PowerPoint, Google Slide, and Thinglink.

Students

1. Write down the word and the page number where it is found.
2. Read the sentence in which the word appears and, as an option, read the paragraph where the word can be found.
3. Create a definition and/or use a definition as presented in the text.
4. Work together to make a page in an online dictionary.
5. Use PowerPoint, Thinglink, Glogster, Prezi, or other approved applications.
6. Collaborate, discuss, and select images for the page that best fit your definition and the context of the section of reading. Add the image to the slide.
7. Type your definition onto the slide or save it for a button on the Thinglink page.
8. Create a word web for the chosen word. <http://graphwords.com/>
9. Present the slide to the class or group, read the definition, and state why the images and contents were selected.
